Scottish Socialist Party

FOR A CLEAN NUCLEAR-FREE SCOTLAND

■ We note that nuclear waste remains radioactive for thousands of years and there is no known safe and reliable method of disposal

■ We demand the closure of all nuclear power plants and the removal of all nuclear weapons

■ We call for the funds to instead to be used for the development of alternative sources of power, such as wave, wind and solar power

name	address	campaign donation	I want to join the SSP

protect the environment
