

Scottish Socialist Party Membership Form

Membership Subscription Rates

The minimum subscription is £3 a month. You choose the most appropriate rate of monthly subs based on your own income.

If you're paid a wage, we ask you to consider paying a higher rate in order to fund the party's work. As a guideline, those in full time work are asked to pay £12 a month and those in low paid or part time work £6 a month.

If you can afford more than this, great. But no matter what subs you pay, your contribution is welcome.
